Offers subject to change. Credit approval, deposit, and \$25 SIM starter kit or, in stores & on customer service calls, \$20 upgrade support charge may be required. U.S. roaming and on-network data allotments differ: includes 200MB roaming. Unlimited talk & text features for direct communications between 2 people; others (e.g., conference & chat lines, etc.) may cost extra. **Video streams** at up to 1.5Mbps unless you have an HD Day Pass. Optimization may affect speed of video downloads; does not apply to video uploads. For best performance, leave any video streaming applications at their default automatic resolution setting. **Tethering** at max 3G. For customers in the top 3% of data users (currently over 30GB per month), primary data usage must be on smartphone or tablet. Smartphone and tablet usage is prioritized over Mobile Hotspot Service (tethering) usage, which may result in higher speeds for data used on smartphones and tablets. **AutoPay Pricing** for lines 1-8. Without AutoPay, \$5 more/line. May not be reflected on 1st bill. **Coverage** not available in some areas. **Network Management:** Service may be **slowed, suspended, terminated, or restricted** for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming. See T-Mobile.com/OpenInternet for details. See **Terms and Conditions (including arbitration provision)** at www.T-Mobile.com for additional information.
